To our Manna's Martial Arts Family,

Oliver and I would like to thank each of you for making such a positive impact on our boys, Max and Lukas. It is evident when you walk through the door at Manna's that it is not your typical martial arts studio, but more of a "life-learning" center. Each employee is fabulous and loves what they do!

Master Manna has a wonderful way with the Little Dragons, insisting on discipline and respect but always in a loving manner and with a smile. Our boys have learned much more from Grandmaster Manna than just martial arts training. He shares and applies many of his own life's lessons to each of his students daily. Not to mention he takes time from his busy schedule to meet and greet students and parents and discuss any concerns. Master Brandt has not only trained our sons to be skilled at martial arts, but has also taken the time to discuss bullying, shared his experiences on countless occasions and is an excellent role model. When our son was asked to name a "hero" on a recent questionnaire, he named Master Brandt. Mrs Brandt and the After School Program staff are just as fabulous! She does a great job keeping the parents informed and fixing any problems that may arise. She is definitely an asset to the establishment. It is always reassuring to know our boys are left in these capable, caring hands.

So, of course, we will miss you all.....keep up the amazing job!!

Warm Regards,
